Specification					<10 <sup>3</sup>	<10 <sup>2</sup>		Absence	Absence
Accreditation/recognition					A B	A B	A B	A B	A B

Accreditation/recognition: -

The institute's quality system complies with ISO/IEC 17025 and follows written SOP

A. The laboratory is authorized to perform the test according to ISO/IEC 17025 by ISRAC requirements

B. The laboratory is recognized by the Israeli Ministry of Health to perform the test.

C. The laboratory is certified by the Israeli Ministry of Health to perform the test according to GMP

(-) no accreditation, no recognition

This certificate is valid only when it is presented in its complete format, and it is not permitted to extract part for inclusion in any other document. The data presented, accurately expresses the results for the sample described above only. The laboratory's standards are traceable to national and international standards. ISRAC is not responsible for the test results conducted by the institute, and the accreditation does not confirm the item tested. I hereby certify that this electronically generated certificate of analysis is authentic.

The use of ISRAC symbol relates to tests/calibrations which are included in the organization scope of accreditation, and performed according to the accreditation rules as detailed in the accreditation certificate.

Pharmaceutical, Medical Devices and Cosmetics laboratories:
